CANADA

# Assessment activities

✓ Application process launched

✓ First on-site reviews conducted

✓ First off-site review conducted

✓ First follow-up reports conducted

✓ On-site reviews of 21 educational programs conducted in 2018

☐ On-site reviews of 40 educational programs planned for 2019

## What we have heard

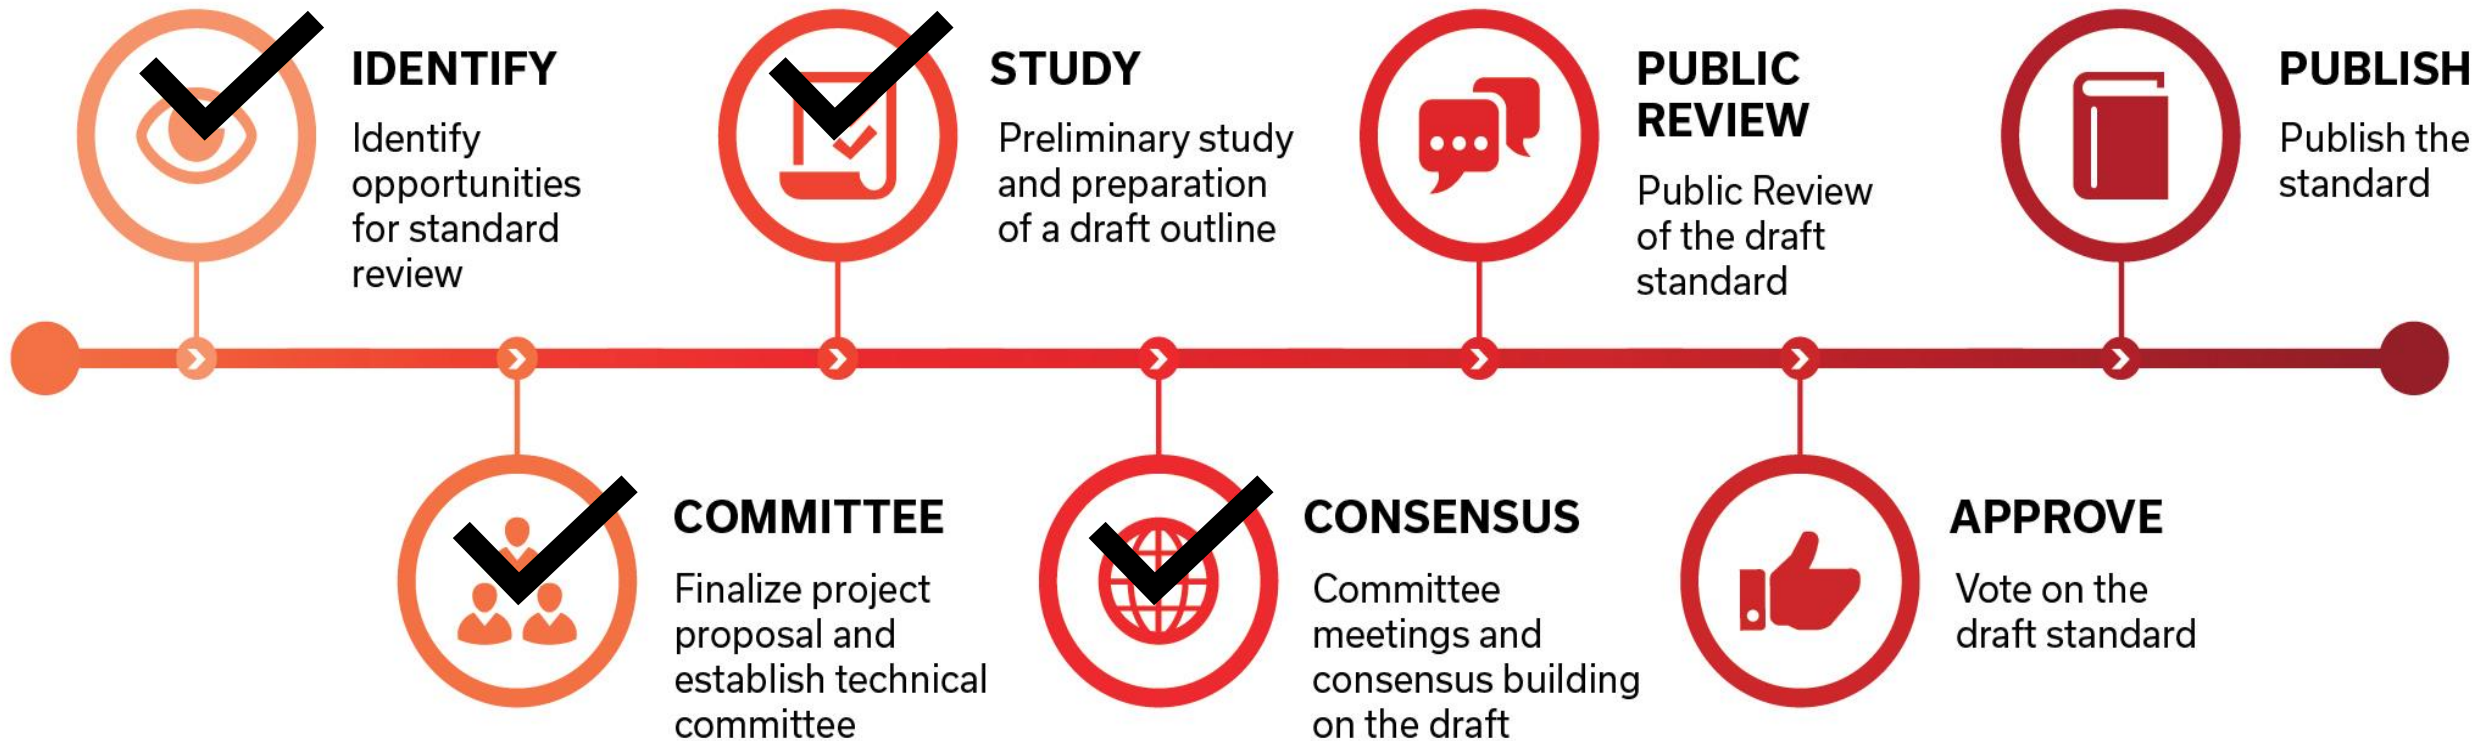

- Reduce duplication
- Clearly define expectations
- Ensure consistency in survey teams
- Support ongoing or annual reporting
- Support electronic submissions
- Reduce the administrative burden of accreditation

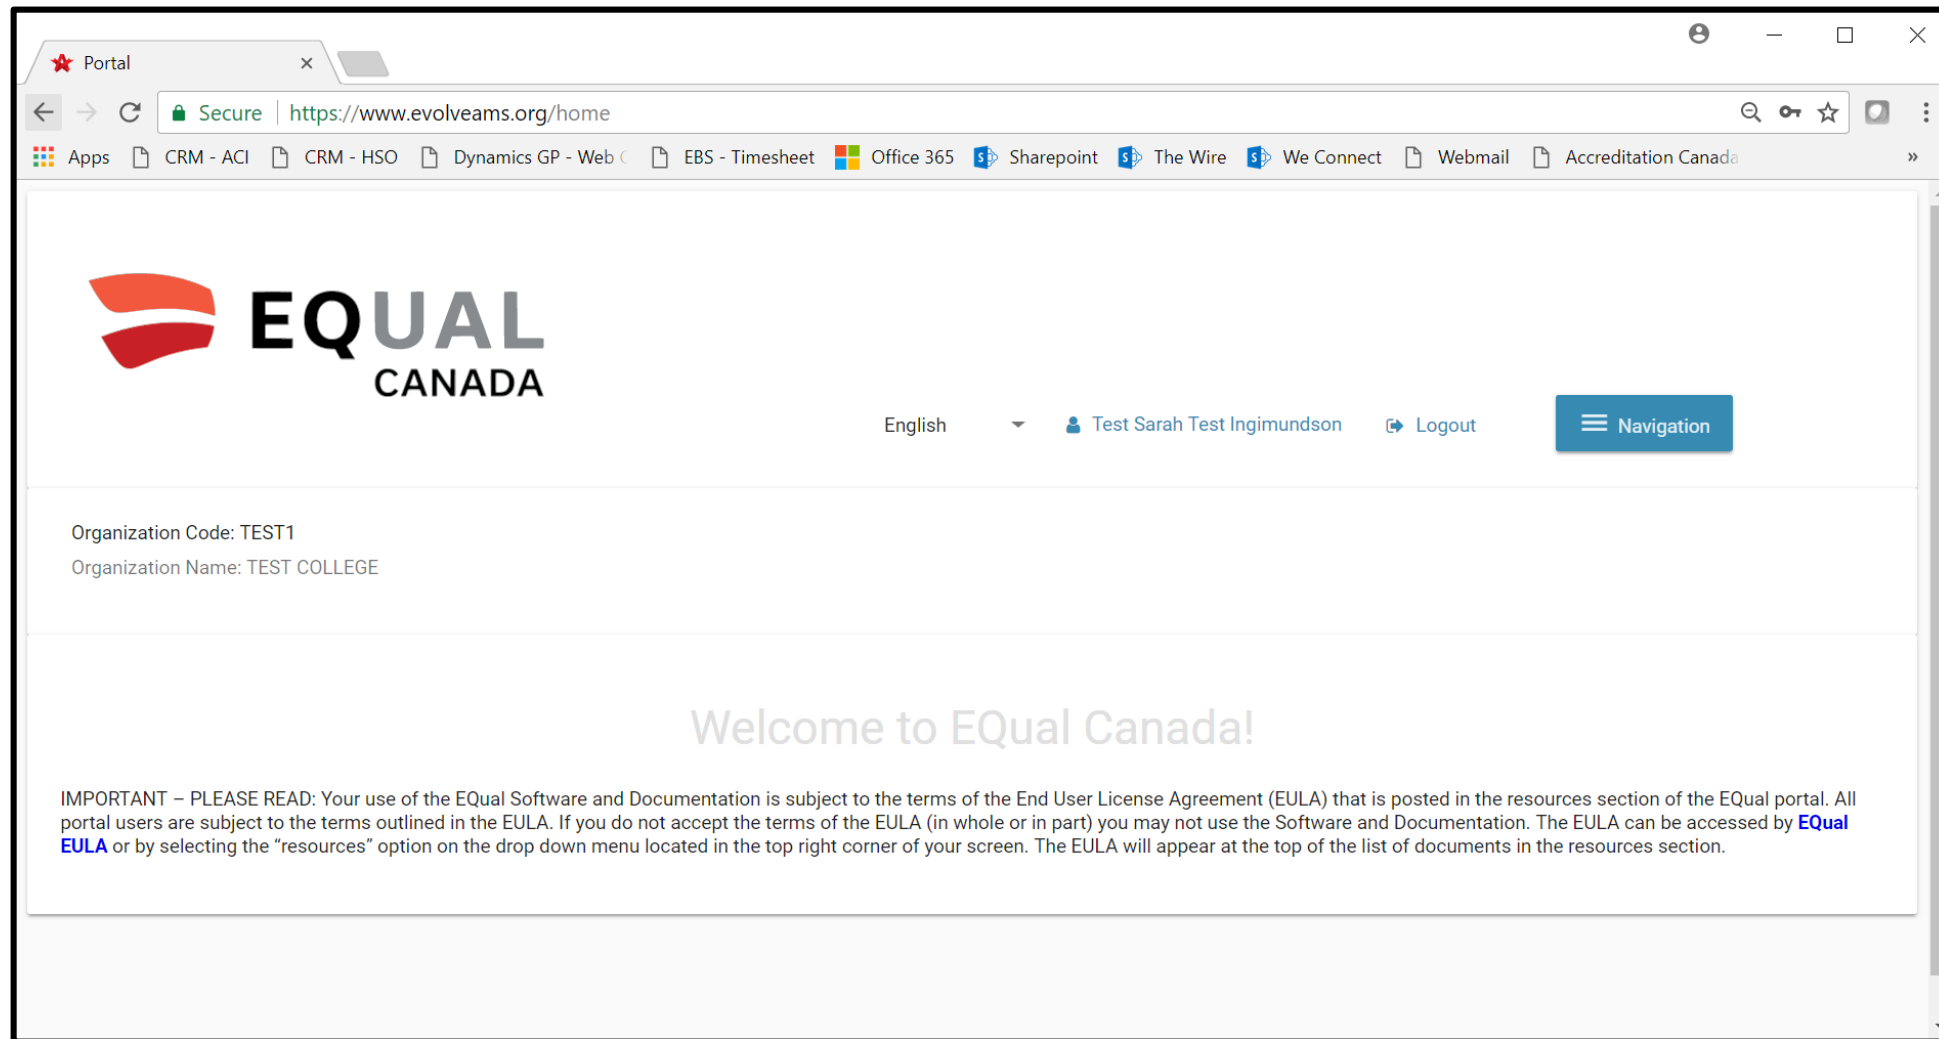

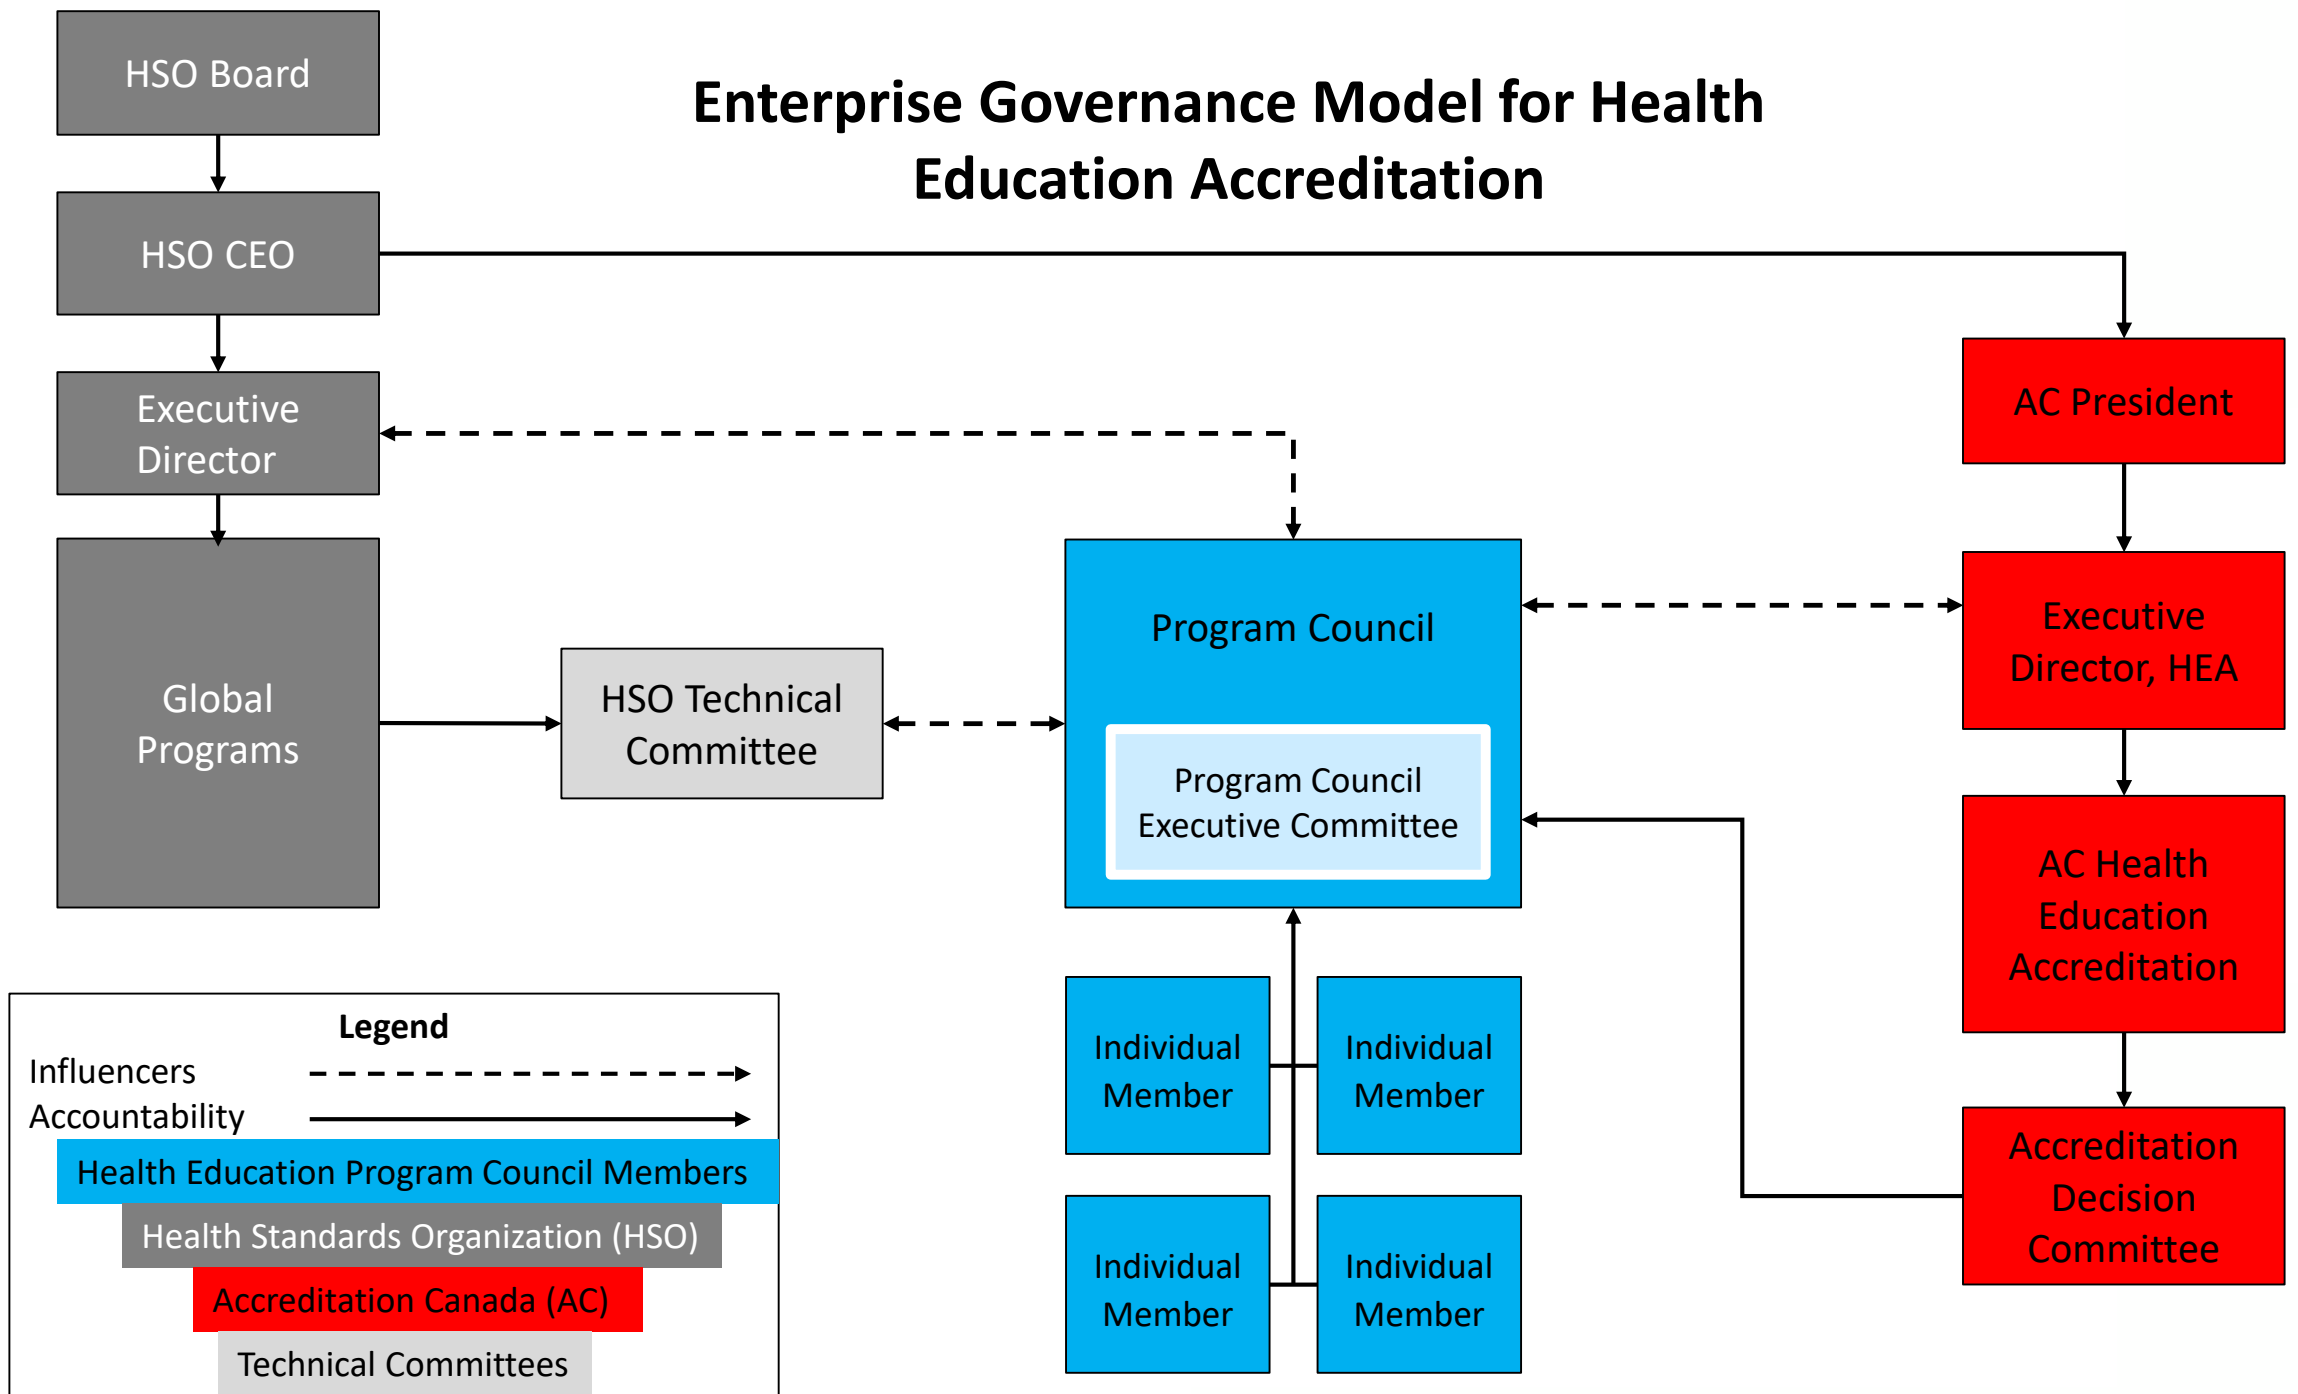

## STANDARDS REVIEW AND DEVELOPMENT PROCESS

# Client portal

# Enterprise Governance Model for Health Education Accreditation

**Respiratory therapy joins EQual**

# Next steps

- Educational program to authorize CoARTE to share recent Program Review Reports with Accreditation Canada
- Accreditation Canada to review reports and date of previous accreditation visit to determine equivalency of accreditation status and expiry date
- Accreditation Canada to contact educational programs to discuss timelines for upcoming assessment activities
- Accreditation Canada to issue client agreement/addendum
- Educational institution to sign and return client agreement/addendum prior to August 31, 2019

# What to expect on date of transition

- Name of educational program, accreditation status and expiry date published on Accreditation Canada website
- Receipt of new accreditation certificates
- Invitation to log in to online client portal
- Access to all EQual program resources
- Assigned a dedicated EQual team member to support your program
- Invoiced for pro-rated annual accreditation fees

**Thank you!**
